 Naphthalene.....7.00%
 Sulfur.....28.00%
 Inert Ingredients.....65.00%
 Total.....100.00%
 Net Weight: 1.75LB. (784 g)

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contamination of food and feed. Avoid prolonged skin contact.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean water mark.

DIRECTIONS FOR USE: Apply only as directed on label.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

RATS AND MICE USE RESTRICTIONS: FOR OUTDOOR USE ONLY.
 This product may be used to limit damage by house mice (*Mus musculus*), Norway rats (*Rattus norvegicus*), or roof rats (*R. Rattus*) to garbage bags placed near along streets or alleys for garbage collection. Do not use this product in gardens or in fields or crops grown for food or feed. Do not use this product near streams, ponds, pools, water supplies, or sewers.

APPLICATION DIRECTIONS: Using gloves, apply **RAT-A-WAY** in a lightly sprinkled band around the area where garbage bags are placed. Beginning no more than one foot out from the outermost bags, lightly broadcast **RAT-A-WAY** until a band of product 24 inches wide circles the bags. When the odor of **RAT-A-WAY** becomes faint, its effectiveness may be diminished. Retreatment may also be necessary after heavy, washing-type rains.

NOTICE: Buyer assumes all risk of use, storage, and handling of this material not in strict accordance with label directions.

Storage and Disposal
STORAGE: Store only in original container, in a cool, dry place, inaccessible to children and pets.
DISPOSAL:

If empty: Do not reuse this container. Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency or 1-800-CLEANUP (1-800-253-2687) for disposal instructions. Never place unused product down any indoor or outdoor drain.

First Aid
If inhaled: Move person to fresh air.
 If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
 Call a poison control center or doctor for further treatment advice.

If on skin or clothing: Take off contaminated clothing.
 Rinse skin immediately with plenty of water for 15-20 minutes.
 Call a poison control center or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
 Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
 Call a poison control center or doctor for treatment advice.

If swallowed: Call poison control center or doctor immediately for treatment advice.
 Have person sip a glass of water if able to swallow.
 Do not induce vomiting unless told to do so by the poison control center or doctor.
 Do not give anything by mouth to an unconscious person.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

Note to physician:
 If breathing is difficult, give oxygen.
